Glowing elegance

New CAPTUR's equipment and accessories combine refinement and practicality. Thanks to the underbody approach light, you are guided in style to your vehicle in poorly lit areas. The Offroad style bars will allow you to strengthen the SUV style of New CAPTUR, while the satin grey door mirror shells will bring stylishness and refinement. With the shark fin antenna, New CAPTUR's muscular profile offers even more vitality.

Transport

Room for leisure

Take advantage of a transport or additional load solution thanks to the semi-electric retractable towbar. Invisible when folded down, it allows you to preserve the vehicle's design. Transporting your bikes has never been so simple thanks to the towbar-mounted bike rack. Swivelling, it gives you free access to your boot. Elegant and safe, the Renault QuickFix equipment is perfect for your leisure activities. Choose the roof bars and open up to new possibilities: skiing, surfing, cycling, start off on the right foot with the right equipment. Thanks to the 380L rigid roof box, you can take all of the luggage you need.

1. Coach bicycle rack - On towbar - 2 bikes

Protection

Tried and tested for your adventures

Take care of the rear space of your vehicle with EasyFlex boot protection. Waterproof and anti-slip, it adapts to all configurations. The wide range of Renault mats also puts your floors under high protection. Made from premium quality textile and premium finishes, they are synonymous with durable refinement built to last. Made from rubber, they preserve the passenger compartment and are easy to maintain. Protect the bodywork of your New CAPTUR from impacts and scratches thanks to customised protection films. Bumper angles, edges and door sills... all sensitive points are protected.

Safety

Your safest choices

Take the road with peace of mind thanks to our dedicated safety accessories. Installed in the blink of an eye, the Trifix I-Size child seat offers protection and comfort with its headrest and wrap-around backrest with three angles. To drive with peace of mind in winter, always keep these chains on hand to optimise the grip in the worst snow conditions. And because you're never completely covered, choose our on-board recording system that films and keeps the history of journeys to provide the best account, if necessary.

- 1.** 17" and 18" Premium Grip snow chains
